```
1 import { View, Text } from 'react-native';
2 import styles from "../components/estilos";
3
4 export default function Config() {
5   return (
6     <View style={styles.container}>
7
8       <Text style={styles.titulo}>
9         Configurações
10       </Text>
11
12     </View>
13   );
14 }
```

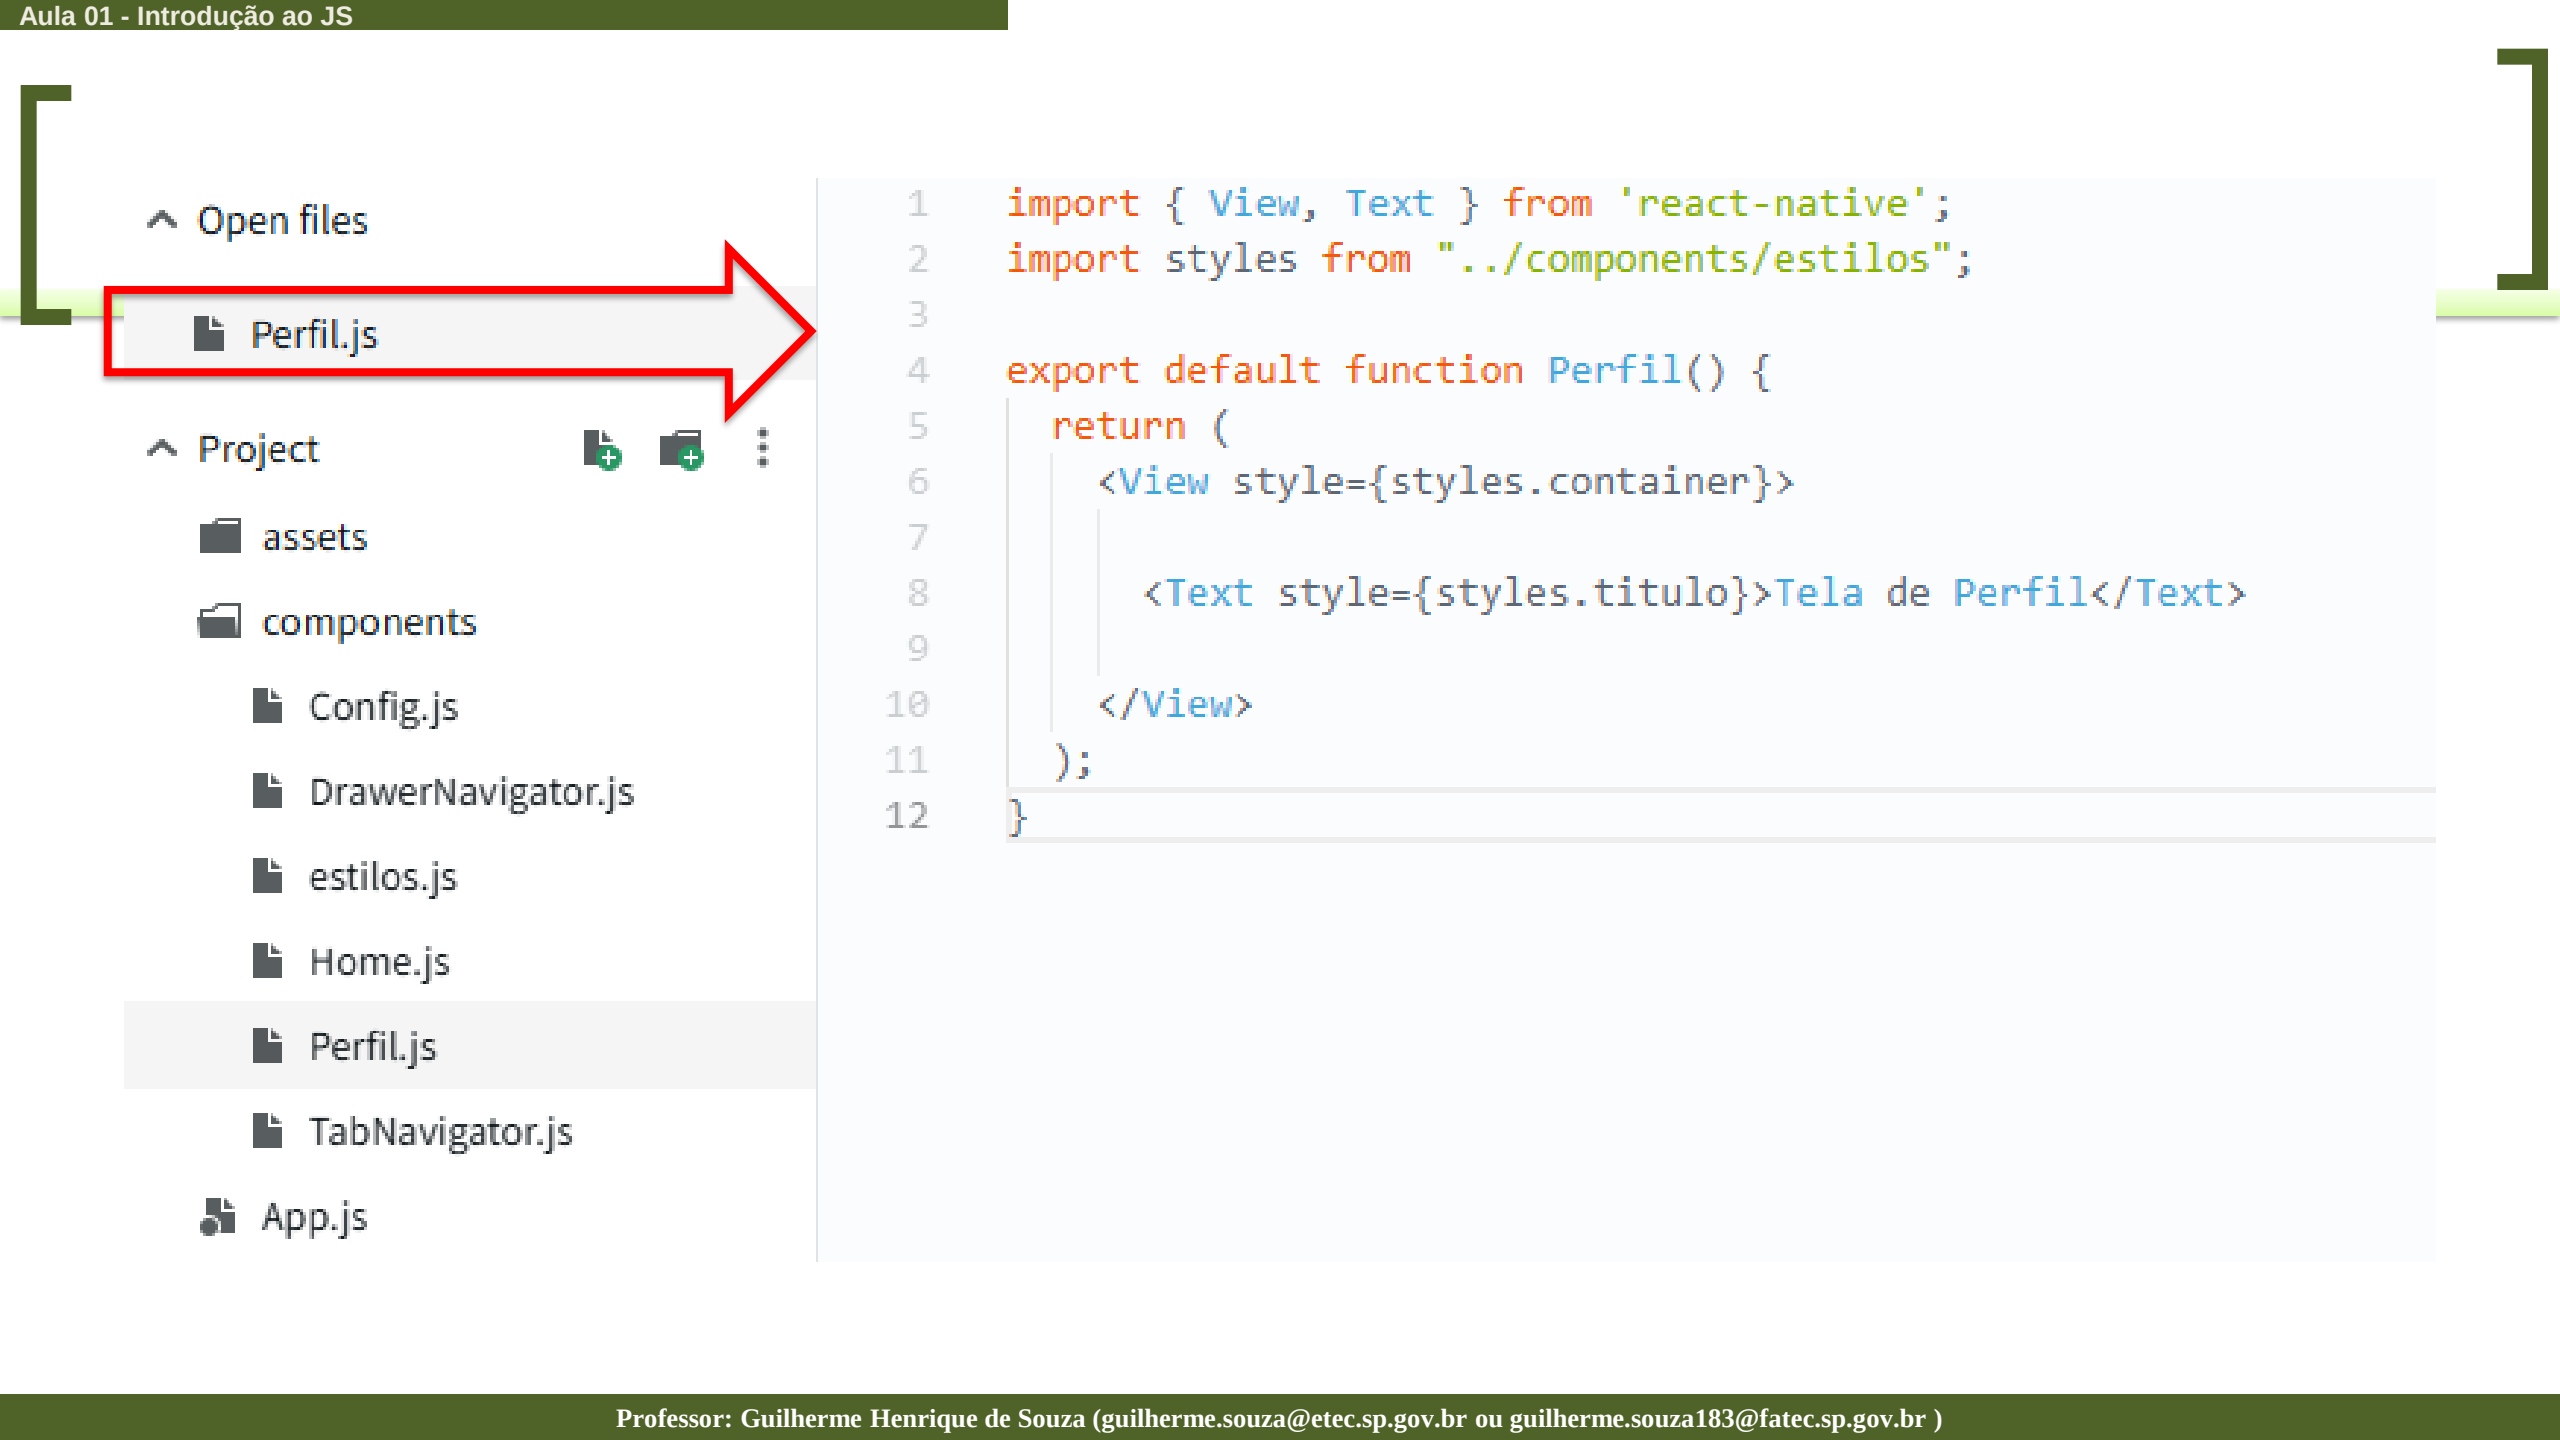

A decorative graphic consisting of a thin dark green circle on the left side of the slide. A horizontal light green bar with a dark green border spans across the middle. On the left end of this bar, there is a large dark green left square bracket. On the right end, there is a large dark green right square bracket.
